The Near East Council of Churches Committee for Refugees Work

DSPR – Jordan

January 2015 Report

Introduction:

To ensure that the work of DSPR Jordan will reach to all our friends and partners either its relief or ongoing programs, or specific projects.

DSPR Jordan has changed the methodology of this report to include not only ACT program, but also its regular program and its new project that DSPR Jordan signed with the New Zealand government through Church World Service in the fields of health education and vocational training.

Its is worth mentioning that all theses programs and projects were implemented through professional team starting from area committee, management to voluntary team, and workers in all DSPR locations.

January 2015 Report

Introduction:

In spite of not receiving any fund at the beginning of 2015 through ACT to launch the new assistance program to Syrian refugees for 2015 and based on formal early commitment from some partners e.g. Act for Peace and NCA . DSPR Jordan has managed to reallocate some fund from its general budget in order to meet the urgent and demanding needs of the refugees during the harsh winter.
DSPR planned its emergency plan in the governorates of Zarqa and Jerash, different activities interviews took place with DSPR voluntary teams in order to collect data and needed information about the most vulnerable Syrian families. Also DSPR has finished building the first children forum hall at Talbiah Camp.

Continuous communication with Syrian families :

The Syrian Jordanian voluntary teams in Zarqa and Jerash conducted field visits to (400) Syrian families (200) in Zarqa governorate included the areas of Russeifah, Hitteen, Jabal Alameer Faisal, Msheirfah, and Prince Hashem City, and (200) families in Jerash that icluded the areas of Gaza camp, Jerash city, Kitteh, Mastaba,Sakeb, Nahleh, and Rimon.

The teams managed to collect all data related to those families and their needs and living conditions.

First Relief Campaign (Zarqa Governorate)

In light of the available data prepared by the voluntary team, DSPR networked with the Jordanian Hashemite Charitable Organization and Qafilat al Kheir Association and managed to distribute (400) parcels (200) blankets, and (200) dignity kits for (200) families of (1200) individuals.

Through this campaign, it was the team work spirit that make this day a real success and reflected the importance of data collection before any filed campaign.

			Food	Dignity	Blankets	
Zarqa	Qafilat AlKhair Association	22/1/2015	-	200	200	400
Jerash	DSPR VTC	29/1/2015	200	200	200	600

Establishing and Building Children Forum Hall

DSPR has accomplished building the new children forum multi purpose hall at the Vocational Training Center of DSPR in Talbiah Camp. Then DSPR started furnishing and equipping the hall with all what it needs in order to officially open it and start receiving children.

This hall is out of three halls DSPR plans to build during 2015.

Women Empowerment Project through Vocational Training

& Health Education
Year one

January 2015

Introduction:

This report covers DSPR achievements in Irbid and Jerash governorates within Health Education and Vocational Training activities that have been implemented at DSPR Vocational Training Center in Gaza and Husn Camps through DSPR health committees, Ministry of Health, Jordan University Hospital, and number of volunteers from local community.

Health Education Activities:

Osteoporosis Workshop

This workshop was implemented due to the need of such workshop for women sector in Husn Camp with the participation of (25) housewives and networking with Women Programs Center.

Osteoporosis is considered one of the common health problems facing women in the camp. The workshop included guidance components about the cause of Osteoporosis and the prevention methods.

The workshop was implemented through the health committee at Husn Camp. The participants showed their willing to have more workshops and to have similar workshop to include school girls as awareness.

Vocational Training Activities:

Cosmetology Training Workshop

This workshop was implemented in Husn Camp with the participation of (35) housewives who are intending to start small business.

The workshop was implemented in cooperation with Vocational Training Institute and the supervision of special committee at Husn Camp.

The participants showed their willing to have more workshops to empower them in the field of income generating projects and eventually enhance their economic situation

Number	Workshop Title	Location	Number of Days	Target Group	No. of Beneficiaries
3	Osteoporosis	Husn Camp	1	Mother& Housewives	23
4	Hair Dye	Husn Camp	1	Housewives	36

Free Medical Days Activities:

DSPR conducted Medical Day that included Gynecology, Optometry, Pidatric, and General Medicine

The event took place at DSPR Vocational Training Center at Gaza Camp that benefitted (768) patients.

Private and Public sectors participated in this event through:

1- Ministry of Health
2- Jordan University Hospital
3- Medical Private Sector- Gaza Camp
4- DSPR Voluntary Team
5- Gaza Camp Services Committee
6- Local Volunteers

The following patients categories participated in the event:

Women	Children	Men	Boys	Girls
326	255	87	40	60

The following patients categories participated in the event according to the medical specialty:

Optometry	Gynecology	General Medicine	Pediatric
150	297	124	197

The following patients categories participated in the event according to nationality:

Syrian Refugees	Palestinian Refugees	Other Nationalities
207	540	21

Prior to the event, DSPR distributed feed back form to (70) patients to stand on the strength and weaknesses points that the event had. The results were:

Free Medical Day Feed Back Form

Feed Back Aspects	Yes	No
The event was planned professionally	67	3
All doctors and volunteers performance was very high	68	2
Target Groups needed these services	60	10
Location and services were convenient	35	25

Free Medical Days could be better if:

- **Provide Medical Equipment such as Ultrasound**
- **Determine specific number of patients for each doctor**
- **Provide chronic diseases medicine**
- **Provide more doctors such as dental**
- **More Medical referrals**
