This report highlights the major activities of DSPR Jordan during September 2015 that focused on the following:

1- T.O.T for Promotion of Girls Education- Teachers component

2- Participatory training within Promotion of Girls Education

3- Life Skills Training workshops

4- Mother Support Groups and Children Forums

5- Free Medical Day

6- RRF for Iraqi refugees in Amman

7- Partners' visit

1- T.O.T for Promotion of Girls Education- Teachers component

DSPR Jordan provided training for (40) female facilitators at Talbiah Vocational Training Center for two days on planning, implementing, and evaluating skills for participatory training workshops within Promotion of Girls Education component- Teachers.

The training included providing participants from Husn, Souf, Talbiah, Madaba, and Zarqa governorates with skills to manage and facilitate the discussion that is based on several questions forwarded to the teachers who are going to participate in the coming workshops.

2- Participatory training within Promotion of Girls Education

DSPR Jordan conducted (6) training workshops in Irbid, Jerash, Amman, Madaba, Zarqa, and Kerak governorates facilitated by (18) trainers with participation of (225) teachers.

The workshops came out with very important recommendations and suggestions for teachers role in promoting girls education and facing the problem of leaving school early such as:

1- **Design questionnaire forwarded to teachers since there is a difficulty for teachers to leave schools during duty.**
2- **The importance of supporting schools in promoting girls education and provide safety and health educational environment specially during cold winter.**
3- **Provide daily meals for poor children**
4- **Conduct counseling and awareness programs for parents and improve their relation with schools and teachers**
5- **The importance of parents commitments in attending meetings at schools**
6- **Training teachers on teaching methods, interactive participatory teaching methods.**
7- **Involving girls in decision making**

3- Life Skills Training workshops

DSPR Jordan conducted (5) training workshops in Jerash, Amman, Irbid, Madaba, and Zarqa, governorates with participation of (200) young Syrian and Palestinian boys and girls on life skills.

The workshops focused on teaching youth skills on presentation skills. The workshops adapted implementation and interaction approaches where the chance was given to the youth to develop their own presentations, and discuss it with others. This training will help these young boys and girls in their school projects and programs

6- RRF for Iraqi refugees in Amman

DSPR Jordan, LWF and IOCC finished the first phase of the program towards Iraqi Refugees in Amman governorate that included supporting (220) Iraqi families.

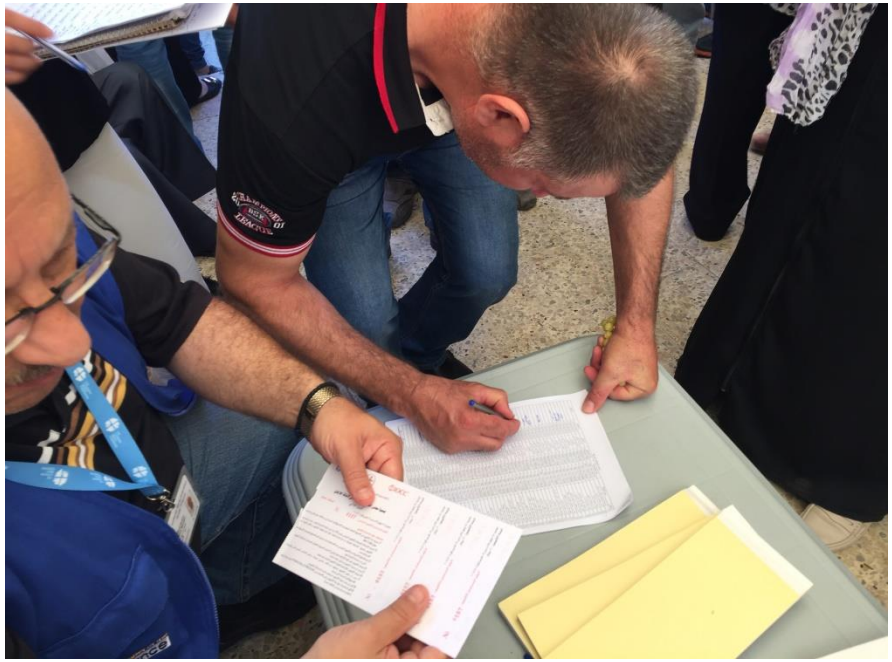

The requesting members (DSPR, LWF, and IOCC) distributed (220) food coupons and (220) hygiene coupons on these families. Each coupon costs about USD (185) that included food and hygiene items for the whole family members.

Prior to the distribution event, the requesting members conducted field survey, interviews, data collection to select the most needy families, and all families were provided with guides to the distribution locations on where they can get the coupons items.

Iraqi refugees expressed their appreciation to the requesting members and to actalliance for this important support.
